ANNUAL CALENDAR OF ACTIVITIES RELATED TO QUALITY ASSURANCE AT THE EUROPEAN UNIVERSITY – SKOPJE

The Annual Calendar of Activities for Quality Assurance and Improvement represents an instrument for the systematic planning, monitoring, evaluation, and continuous improvement of the quality management system at European University – Skopje.

The Calendar establishes the dynamics for implementing the key activities aimed at ensuring and improving quality in the teaching process, scientific research activities, and administrative operations at European University – Skopje.

The activities envisaged in the Calendar are implemented throughout the calendar year and are undertaken quarterly, while being conducted by the Quality Assurance Commission, in cooperation with the University's units and competent University bodies.

The planning and implementation of the activities are based on the principles of continuous quality improvement and are aligned with the University's internal acts, as well as with European standards and guidelines for quality assurance in higher education.
